

### § 28.13

of the lot. Lot occupancy is calculated to include all buildings and accessory structures on the property and any extension of the upper floors beyond the developed area on the ground level.

(e) Lot occupancy of all privately-held improved property in the Seashore District is limited to 35 percent of the square footage of a lot that is less than 7,500 square feet, and to 2,625 square feet for a lot 7,500 square feet or greater. Lot occupancy is calculated to include all buildings and accessory structures on the property and any extension of the upper floors beyond the developed area of the ground.

(f) No building or accessory structure may be erected to a height in excess of 28 feet as measured from the average existing ground elevation or the minimum elevation necessary to meet the prerequisites for Federal flood insurance as determined by the National Flood Insurance Program/FEMA shown on Flood Insurance Rate Maps for Fire Island communities.

(g) A swimming pool is an allowable accessory structure and is calculated in measuring lot occupancy.

(h) No sign may be self-illuminated.

(i) A zoning authority shall have in effect limitations, requirements, or restrictions on the burning of cover and trash, excavation, displacement or removal of sand or vegetation, and the dumping, storing, or piling of refuse materials, equipment or other unsightly objects which would pose safety hazards and/or detract from the natural or cultural scene.

(j) A zoning authority shall have in place ordinances to lessen the potential for flood and related erosion and property losses consistent with the Federal Insurance Administration's National Flood Insurance Program criteria for "Land Management and Use," as set forth in 24 CFR part 1910, subpart A, as it may from time to time be amended.

### § 28.13 Variance, commercial and industrial application procedures.

(a) The zoning authority shall send the Superintendent a copy of all applications for variances, exceptions, special permits, and permits for commercial and industrial uses submitted to the zoning authority within five calendar days of their submission of the

completed application by the applicant.

(b) The zoning authority shall send the Superintendent a copy of the written notice of the dates and times of any public hearing to be held concerning an application no less than 10 days prior to the date of the hearing.

(c) The zoning authority shall send the Superintendent a copy of the written notice within fifteen calendar days of the approval or disapproval of any application for a variance, exception, special permit, or permit and copies of any variance, exception, special permit, or certificate which has been granted.

(d) The zoning authority shall send copies of all correspondence referred to in this section to:

The Superintendent, Special Attention: Zoning, Fire Island National Seashore, 120 Laurel St., Patchogue, New York 11772.

### § 28.14 Emergency action.

If allowable by local law and if immediate action is essential to avoid or eliminate an immediate threat to the public health or safety or a serious and immediate threat to private property or natural resources, an agency or person may commence a temporary use without a permit from the zoning authority. In all cases, the agency or person shall inform the Superintendent and send an application for a permit to the zoning authority within 10 days after the commencement of the use and the applicant shall proceed in full compliance with the provisions of the approved local zoning ordinance. When the reasons for undertaking the emergency action no longer exist, the agency or person shall cease an emergency action taken under this section.

### § 28.15 Approval of local zoning ordinances.

(a) The Secretary shall approve local ordinances or amendments to approved ordinances which conform to these regulations. The Secretary may not, however, approve an ordinance or amendment thereto which:

(1) Contains a provision that the Secretary considers adverse to the protection and development of the Seashore;
